Completing the form:

Determine what swim level. If you don't know the level your child completed last year use the guidelines below to help. If still unsure, make your best estimate. After the pool opens discuss with the Senior guards or test and then we'll make adjustments. If they didn't complete the level, which often happens, they should remain in that level.

Swim Lessons:

Our lessons begin with introduction to the water and very basic skills and progress through advanced stroke development. We offer morning lessons, consisting of 10 lessons of 30 minutes each delivered over 2 weeks. In all lessons we strive to help your swimmer improve their skills. Cost \$35 per child. Complete session details and sign up forms follow on pages 3 and 4. Evening lessons – we've offered in the past. If you are interested this year contact us. We have not established a schedule at this time.

Swim Team:

None this year.

Notes: During lessons parents are asked to remain outside the pool fence to reduce distractions. They will be invited in on the last class day to observe.

The pool will be closed until 11:30 on lesson days.
