Completing the form:

Determine what swim level. If you don't know the level your child completed last year use the guidelines below to help. If still unsure, make your best estimate. After the pool opens discuss with the Senior guards or test and then we'll make adjustments. If they didn't complete the level, which often happens, they should remain in that level.

Swim Team:

Fun for everyone. Cost \$20 per child. Practice will likely be from 8:15 to 9:00, Mon., Wed. and Fri.. We attend 3 or 4 meets per year. See enclosed flyer for sign up and additional information. Watch for more info in June after the pool opens.

Notes: During lessons parents are asked to remain outside the pool fence to reduce distractions. They will be invited in on the last class day to observe.

The pool will be closed until 11:30 on lesson days, except for adult lap swimming from 10:30. This seemed to work last year. Please, don't lap swim if your child is in lessons at that time.

Millcreek Summer Swim Team

The Millcreek Pool Club Summer Swim Team will be up and running at our first practice on Wednesday June 28 at 8am. (tentative). **Cost will be \$20** with an optional additional “Donut Fee” of \$5 per child (for Fridays).

The first swim practice will be on Wednesday June 29 at 8am - 8:50 am, following practices will take place on Mondays, Wednesdays, and Fridays at 8 am. Meets will be held on Tuesday afternoons at 2 pm (1:30 warm-ups).

This is a great low-key way for your child to be introduced to the sport of competitive swimming. You don't have to be an expert but **swimmers should be able to swim a length of the pool** without stopping prior to joining the swim team. Typically swim levels 4, 5, and 6 would be ready for swim team.

Meet Schedule: Tentative (3 or 4 swim meets typically)

Tuesday July 4, 2 pm @ TBD

Tuesday July 11, 2 pm @ TBD

Tuesday July 18, 2 pm @ TBD

Tuesday July 25, 2 pm @ TBD
